1 Introduction

The purpose of this Guide is to provide basic information and instructions for individuals who wish to conduct business with the Department of Cute and Weird at Squeakyponyland. Questions and clarification of this document may be addressed to the individual listed in Section 3, The Super Bowl of Eyeballs.

Full Disclosure: This document is subject to the terms and conditions found in the Xydexx Standard Disclaimer, which may be found in Section 5 of this document.

2 Furry Art

Xydexx sometimes draws furry artwork which feature Balloonies (inflatable anthropomorphic animal characters). Drawings will generally feature male characters, and generally won't be considered naughty by the General Public (but may definitely be considered naughty by the standards of Trusted Individuals).

Xydexx does not take commissions, but welcomes ideas for things to draw.

2.1 Trading Instructions

Xydexx is willing to negotiate trades of furry art in exchange for large balloons, inflatable animals, videos of cartoon animal inflation, or if all else fails, money. To arrange a trade, simply contact Xydexx and work out the details. Note that as per the restriction in Section 4, Xydexx does not do business with Asshats.

2.2 Restriction on Access to Pn0y Pr0n

Pn0y Pr0n is defined as what Xydexx draws but nobody sees. Access to Xydexx's collection of Pn0y Pr0n is restricted. This restriction does not apply to Xydexx's Naughty Artwork, which may be viewed and collected by Trusted Individuals to whom limited access is granted.

2.3 Instructions for Unapproachable Service

These instructions should be followed exactly and completely to apply for consideration of Unapproachable Service. Neither the Department of Cute and Weird nor its representatives shall be liable for any expenses incurred in connection with preparation, submission or presentation of a request for Unapproachable Service. All information in the request shall be provided at no cost to the Department of Cute and Weird. Any respondent who submits in its request to the Department of Cute and Weird any information, which is determined to be substantially inaccurate, misleading, exaggerated, or incorrect, shall be disqualified from consideration. The Department of Cute and Weird reserves the right to deny Unapproachable Service for any reason. Following these instructions is at your own risk.

Step 1: Gather necessary supplies. Acquire one (1) purple (pink is also acceptable) inflatable horse toy, measuring no greater than 24" tall, one (1) rubber horse mask, one (1) snorkel, and one (1) swimming trunks and/or bikini, depending on gender of applicant.

Step 2: Preparation. Applicant should put on swimming trunks/bikini, horse mask, and snorkel.

Step 3: Swimsuit Competition. Applicant should set up a video camera and act out the following scene: While wearing the above attire, inflate with mouth the purple inflatable horse

toy until completely full. Wave at camera. Say in a clear voice: “Nobody takes the internet as seriously as I do.” Complete the video with your contact information.

Step 4: Publication and Verification. Upload the completed video to YouTube (www.youtube.com) and notify the Department of Cute and Weird of the video’s URL via electronic mail to the address listed in Section 4.1, Exhibit 2.

Applicants will be notified once their video is reviewed for accuracy, ability to follow instructions, and squeakiness. Additional videos may be necessary to process the application.

3 The Super Bowl of Eyeballs

The Super Bowl of Eyeballs is part of Important Research being conducted by the Department of Cute and Weird. In summary, it involves a bowl of eyeballs being carried by a cartoon bear, as indicated in Exhibit 1. It is part of a nutritious and less-traumatic breakfast, because spilling eyeballs everywhere would be serious business.

Important Research continues to be conducted by Department of Cute and Weird researchers Lambert Lambert and Anvil Cow. Research facilities are currently located at Breakneck Mountain (2 Wolcott Avenue, Beacon, NY 12508) and the Boringville Clock Tower, (100 Warren Avenue, Hawthorne, NY 10532). This research is being funded by Consolidated Moosilidge for FY2009–FY2010.

WARNING: Due to heightened security, under no circumstances should any attempt be made to access the Boringville Clock Tower without prior permission.

Questions concerning this document may be addressed to: Anvil Cow. Questions about Anvil Cow’s identity and contact information are addressed in Section 4.2, Conspiracy Theories.

4 Prohibition of Asshattery

Effective January 1, 2007 the Department of Cute and Weird no longer does business with Asshats. All asshats (anti-furries, trolls, and other dishonest and reprehensible persons¹) are not welcome and lose by default. Asshats will be launched into the sun without notice.

4.1 Appeals

Individuals wishing to appeal the decisions of the Department of Cute and Weird or be reconsidered should follow the Instructions For Unapproachable Service, Section 2.3, and additionally submit a completed Asshat Request For Reconsideration Form (Appendix A) via electronic mail to the address listed in Exhibit 2.

Exhibit 2. Contact Information. *Ignore everything except the e-mail address in this diagram.*

4.2 Conspiracy Theories

Individuals wishing more information on possible conspiracies the Department of Cute and Weird is involved in, including but not limited to the Boycott of MU Press, Takeover of Furry Fandom, Existence of Giant Moles Beneath the Disputed Terminology Squabbling Territory, Project Lohengrin, The Russian Popfia², Blaming a Kitty as the Source of Belching, Unnecessary Smiling, the Jocular Fiasco Issue of the Grumbling Yak, Avoidance of the Hiroshima Cluehammer, and/or the Identity of the Lovely Chanteuse Stella Swanson, should follow the Instructions For Unapproachable Service, Section 2.3.

5 Xydexx Standard Disclaimer

This document is subject to the following disclaimer, revised August 30, 2009, which supercedes all previous versions of this disclaimer:

Xydexx does not want to eat puppies. Xydexx also does not want to staple his tongue to a moving bus, build a coffee table out of live weasels, or have a sea hare fetish. Xydexx has not built a full-scale model of the Eiffel Tower out of tinkertoys and rusty barbed wire yet. Xydexx does not have a Bright Red Mohawk, is not boycotting Mu Press, and has no family members in the band GWAR. Xydexx does not like to eat cole slaw. Xydexx has never been to Idaho, gone skydiving, worn Jello, gone skydiving in Idaho while wearing Jello, or projectile vomited for a distance of more than 100 feet. Xydexx is not Elvis. Xydexx does not plan on building a rocket and going to live on the planet Jupiter. Xydexx is not a turnip or any other easily-thrown objects.

¹ This includes That Guy Who Used To Be A Big Name and any person delusional enough to think the hate group Burned Fur was a good idea.

² For further information, see <http://uncyclopedia.wikia.com/wiki/Conspiracy>.

Xydexx does not think whitetail deer are ugly, and sees no reason to dress them up in ballerina outfits to make them cuter. Xydexx has never gargled mayonnaise in a bingo parlor full of kleptomaniacs, ridden a 4-person unicycle, or knitted a sweater out of Wilford Brimley's armpit hair. Xydexx isn't really a weirdo, except when he is. Xydexx is not made of cauliflower, doesn't worship cauliflower in his secret underground headquarters, and doesn't believe that angry cauliflower gods will devour the planet someday. Xydexx has never had a pet water buffalo, nor has he ever brought a pet water buffalo to a furry convention. Xydexx has not removed text here; you saw nothing. Xydexx has never seen the giant moles that allegedly live beneath the Disputed Terminology Squabbling Territory. Xydexx has never had a laboratory with a giant magnetic telescope that sends comets and stars crashing down Main Street so that the next day the local papers are emblazoned with the headline MAGNETIC TELESCOPE THREATENS CITY. Xydexx didn't steal Ivy the inflatable reindeer from Tyson's Corner Mall, or if he did he's just not admitting it. Xydexx has never dressed up as Joan Jett or Elvira. Xydexx doesn't think it would be a good idea to paint a room with marmalade if you ever get on the TV show Trading Spaces. Xydexx is not afraid of cows. Xydexx does not think everyone is always after his Lucky Charms. Xydexx usually wears pants in public, except when he's wearing shorts. Xydexx is not really an inflatable unicorn, he just plays one on the internet. Xydexx doesn't think ignoring problems solves anything. Xydexx knows most people are smart enough not to need a lengthy disclaimer explaining things he doesn't believe and hasn't done, because most people know he doesn't like wasting his time arguing with people over things he never said in the first place. Xydexx is not part of a conspiracy (as far as you know). Xydexx will always be the squeakiest pony.
